The beneficial result (rewards) of listening to or reciting daily the 'panchanga' such as 'tithi' 'vara' are .:

तिथेश्च श्रियमाप्नोति वारादायुष्यवर्धनम्।
नक्षत्राद्धरते पापं योगाद्गोगनिवारणम्॥
करणात् कार्यसिद्धिःस्यात् पंचागफलमुत्तमम्॥

Uttering tithi fetches wealth; 'vara' gives long life; 'nakshatra' removes (unfavourable effects resulting from) sins; 'yoga' leads to relief from sickness and from 'karana' one becomes successful in work (pursuit). In this manner recitation of these five components - tithi, vara, nakshatra, yoga and karana - bestow excellent benefits."
