### **APPEAL**

We are planning to establish a Mrithika Brindavana of Sri Raghavendra Swamy in the New York/New Jersey Area of the United States. For this purpose, Sri Guru Raghavendra International Prathisthaana was established in

the last week of January 2003 under the able guidance and support of Sri Raghavendra Swamy Matha, Mantralayam. It gives us great pleasure to inform you that this proposal has been well-received by every quarter.

In addition to the Mrithika Brindavana proposal, we also want to undertake activities that will serve the devotees of Sri Raghavendra Swamy throughout the world. This will include such diverse activities as environmental clean-up of banks of Tungabahadra river Mantralayam, establishment of scholarships for deserving students and scholars, funding research for Sanskrit Scholars in Mantralayam etc. All these activities will be performed based on the interest and initiative shown by all of you.

We are now raising funds for the Mrithika Brindavana project. Please give us your name and address and we will send you a pledge form. Please indicate in the pledge form the amount and details such as whether it is a one-time offering or if you wish to send funds periodically. For example, you may wish to offer \$500 as a one-time offering or you may wish to offer \$50 every month for 10 months,

and so on. We will approach you accordingly. There is no minimum amount for donation.

Our project is based on directives and guidance from the Sri Raghavendra Swamy Matha at Mantralayam. Our proposal has been blessed and endorsed by the 1008 Sri H.H.Sushameendra Theertha Swamiji and 1008 H.H Sri Suvidyendra Theertha Swamiji of Mantralayam. To enable us to formalize our activities, the Swamijis have issued a letter to this effect, a copy of which is displayed on our website.

Please participate whole-heartedly and make this dream a reality. It is planned to have the Mrithika Brindavana established by the Aradhana day in 2005.
